“ I first met Joe and his wife when I became their pest technician. I would service both properties in Lakewood and Myrtle Trace. I also enjoyed talking with him and hearing his deep raspy voice. Such a sweet man. My thoughts and prayers are with his friends and family.

“ I have very fond memories of my uncle Joe. One that stands out the most was the time he help redesign the back deck area of our house with Dad. He engineered a way to keep the original shed without lossing that much head room and making it aesthetically pleasing to the eye from the back yard view. I always loved seeing him helping out with projects throughout the family like at Robyns house with the front porch. I always looked forward to holidays when Uncle Joe and Aunt Nancy come over for dinner and loved talking to him about his life experiences. I bought my first car from him for a dollar in highschool and it got me through the rest of school and out to New Hampshire. Uncle Joe was my favorite. I loved his deep raspy voice and will always remember him as one who inspired me in the trades. He was also supportive of me when I decided to join the service. He put my mind at ease when I was thinking of joining and encouraged me to go with my heart. Uncle Joe you never aged to me. You were always the same age from when I was little and untill your passing. Rest in Peace Uncle. -

“From childhood memories to adulthood, I am grateful for every moment with you, Joe. Having a brother like you is one of God’s greatest blessings.

*Another great blessing is knowing you have trusted and received Jesus Christ as your Lord and Savior.*

*“The Word became flesh and dwelt among us....to as many as received HIM to them HE gave power to become children of God, even to those who believe on HIS name.”*

*Together in Heaven with Jesus  
And all who have received God’s gift of eternal life through HIM*

*Love you, Joe!

“ I met Joe and Nancy around 1989. My wife had gone to high school with Nancy in CT and had been friends ever since. I instantly liked Joe. My wife and I met them many times socially in CT. My wife and I moved to SC about eight years ago and bought a place in Lakewood. Nancy and Joe soon followed and also bought a place in Lakewood. My wife and I bought a more permanent house in Surfside Beach and Nancy and Joe moved to Conway. As you can see, we have been friends for many years. Joe was a very friendly guy and always willing to help. I could not have asked for a better friend. We will really miss him!

“ So have sorry to hear of the loss of our friend Joe Condolences to Nancy and family. I first met Joe 35-36 years ago at the Seafarer Restaurant in Cheshire. My husband, Charlie Audet, was bartending and Joe and Nancy were there. Nancy was working at the restaurant and Joe and I ended up chitchatting. We four became good friends. Years pass and families and obligations takes us here and there but we never lost touch. We are both so sorry to hear of Joe's loss. Rest in Peace.
