“ Wendy and Tindall Family, I am very sad to hear about Joey. I have known Joey since we were in High School together. I will never forget all the good times we all had snow-skiing, water-skiing, beach trips, lake trips and all the fellowship together with our friends and family. Joey always made me smile. Everyone that knew him will surely miss him. Please know all of you will be in my thoughts and prayers during this difficult time of your loss.##imported-begin##Saundra Jordan-Phillips##imported-end##

“ My thoughts and prayers are with Joey's family and friends in their loss. I worked with him, got to see him hit a softball and a golf ball about as far as anyone can and laughed through a couple of winter bowling leagues with him. I only saw him a time or two after he retired. His health was failing but his heart and his humor were strong. I'll always think of Joey with a grin and a smile.##imported-begin##Jim Poston##imported-end##
