“ *Daddy it's been eleven years yesterday. We miss you so much. Momma has been through a lot in the past year. She is a miracle. We are still there for her as we were for you all those years. We all will one day be together again. This is the time of year when we take our trip to the mountains that you loved so much wish we could again and the grape vine would soon be coming in. Momma talks about all the good times we had. Me Terry you and momma have some good memories all those years. Those things I will never forget and I thank god for always being the daughter you raised me to be. We love you daddy. Your baby girl.* ”
