“ Dear Sicilia Family: I was so sorry to hear of your father's passing. My daughter, was reading the obituaries yesterday and discovered your father's obituary. I remember the day, 35 years ago, when your Mom and Dad moved to Rock Hill. Mom was at Edwina's house crying her eyes out because she had to leave her family in New York. Then there was the time that Lori and my son, Matthew were in some pagent at church. Matt was St Joseph and little Lori was the Blessed Mother. My husband, Bill, passed away last June and I miss him dearly. On behalf of my children and myself, please accept our deepest sympathy. Terry Dunning###imported-begin##Terry Dunning###imported-end##

“ I very much enjoyed the company of Joe during the years that he attended the luncheon meetings of the Homelite retirees. His stories about his greatly varied career interested us and, often, made us laugh. His great love for Rose was always very readily established. I was deeply touched when I observed Joe during the memorial service for his precious Rose. Now they are united again and this thought, together with, I am sure, many more great memories, will help you all cope with your loss. May he rest in peace.###imported-begin##Jack Siliakus###imported-end##

“ *My thoughts are with your entire family Dolores. I know how precious your father was to all of you. I pray that the memories you all shared with your Dad will comfort you now with the loss you are suffering. From the stories I have heard, I know that there are many beautiful times. You must picture him now in the presence of God, laughing and talking with your Mother. My prayers are with all of you.
