“ So sorry to hear about Jody. My heartfelt sympathy go out to Lee, Missy and Brady for the lose of a close Big brother. My sympathy go most for you Linda. A mother should never outlive a child. I cannot fathom the loss you feel. My heart goes out to all of you. May God bless and keep you in this time of tribulations.

“ I can still see Jody when he was just a boy when he lived on D street. His Mom and Dad and family were some of the first I met when I moved to Conway. Prayers to everyone and know that he is remembered with love.

“ It still seems unreal. We knew Jody since he was a kid hanging onto his daddy’s shirt tale aka Big Danny Johnson. Jody definitely got his passion for racing at an early age. Jody loved all kinds of racing- NASCAR, Boat, Go kart & even back road country drag racing through the 1/4 mile especially with a 454 big block engine & a 396 - Impala vs Chevelle sitting on the line. It was awesome the day Jody gave his heart to God along with his family- Mom, brother & Sisters at Brown Swamp Methodist Church in Conway SC. Jody had a huge heart of gold & was always willing to help anyone at the track that needed advice or help scaling karts, tires or kart set up. When Jody-JJ or The Jet Man showed up, it was definitely going to be an amazing day because just his presence at the track spelled excitement. He took some awesome pictures of CBR#22 that we’ll cherish forever. One of the last videos with Jody’s voice narrating the race was at the 2019 Maxxis Nationals Jr 1 race of CBR#22. Clay won that day & Jody was so excited because you could hear him encouraging speed & consistent driving. Jody Johnson I shall never forget you buddy because God chose you & my sweet mama to your heavenly home on the same day just years apart. I still shed tears for you because it’s hard to believe you’re gone but my heart rejoices because you’re in Heaven with Jesus. We’re continuing prayers for his family that God’s Grace will continue to give you peace & comfort during these most difficult days & months forthcoming. I know Jody pretty well & I’m positive that the three faces he would want to see when he got to Heaven would be his daddy then his mama & then Jesus in that order. Sending hugs to the family of Jody Johnson.
