“ *Hello Lena, we are so sorry to hear about Joe, we speak of the both of you often, its strange to look out the window and see someone else at your home, we miss the both of you and still have many of Joe's poems somewhere. We hope Joe enjoyed his short time there, he was anxious to get there with his scooter, good luck and God Bless you.*

“ Hi "Aunt Lena", Louise & Mary

It is with great sorrow that I learn of the passing of my life-long friend and "cousin" Joey. You have my deepest sympathy. Many is the time I pass by your house on East & West and wonder where you are. All these years I have not known. However, every couple of years we take the family to Myrtle Beach and now I may finally get to see you.

If possible please let me know where you are.

“ Dear Lena,

Please accept my heartfelt sympathy. I have often thought of you as I pass by your home on East & West near my daughter's home. I miss talking with you while I worked at Queen of Heaven. I retired over two years ago to care for my father. He passed away in December 2012 at 97. You both shared October birthdays. I am sorry for you loss and again- please accept my sympathy.

*Sincerely,
Darlene Lahrs*
