“ The very best papa in the whole world. He taught me so much and I will forever hold those lessons near and dear to my heart. There will never be another man that fill fill the footprints he left on my heart. there were many days where we wasted the days away watching my kids play on the very home he made for them. we were immensely blessed and he will forever be remebered and missed. i love you papa

“ Norwood was my best friend Jody's dad but I stayed the night at their house many times and I felt like he was a good example of how a real dad was. I didn't have a dad growing up and to have him show me what a dad was like meant the world to me. He will be truly missed but I'm sure Diane will be happy to see him again. ❤️
