“ I received an e-mail from a friend in SC informing me of the death of Joseph. She thought he may be a relative of mine. My mother, Elsie Mae Mishoe Williams's mother Mary Anne sis Ray Mishoe was the daughter of Francis Marion Ray. I believe that Joseph and I were 2nd cousins due to the possibility that Joseph E Ray was his grandfather and my grand uncle. To his survivors my heart felt condolences and one small piece of advice. Only dwell on the good things you shared with Joseph and if there was only good, count your blessings.##imported-begin##Joseph A Williams Jr##imported-end##
