Tribute Wall

“ In 1985 I was a newly-minted lawyer, feeling overwhelmed in a big firm, and Joe took me under his wing. He was always kind, patient and fair, and a wonderful teacher. Working with him in the early years of my career was a blessing, and I often feel I would not be where I am today if it were not for Joe. He was always a true gentleman, held in the highest esteem by his fellow lawyers and clients. I have thought about him often in the years since he retired to SC, wondering how many rounds of golf he had played. My deepest sympathies to Eileen and the family. I will always hold fond memories of Joe.##imported-begin##Connie W. Jack##imported-end##

“ I have such fond memories of this man for whom I worked for over 15 years. He was not just my employer, he was my teacher. He taught me everything I could learn about commercial real estate. He was like the Dad I didn't have, and I will never forget the years of walking together for the lunch hour...listening to him explain to me the detailed structures of the projects we would be working on. I truly believe I would be on a much different career path, had it not been for him. We maintained contact until just a few years ago. My sincere condolences to the family...I don't know if Mrs. Roulhac remembers me.... or Joseph B... when my husband and I were housesitting on Norwick Circle. You are all in my thoughts and prayers.##imported-begin##Karen Smithson Matthews##imported-end##
