“ I went to High School with Mr. Madaras' son Joe. We both ended up going to Norwich University in Vermont, as well. I remember what a nice man he was & how proud he was of his son, Joe. I always thought of Mr. Madaras as a very kind and well educated man. It looks like he led an active life and I'm glad to see, a long one too. He and Mrs. Madaras set excellent examples for their children. Respectfully, Ken Erickson##imported-begin##Ken Erickson##imported-end##
