“ 01/23/17 Just today found the obituary of Joe. We were friends for many, many years enjoying playing tennis together, playing the organ and singing. Also I was fond of his poetry. We drifted apart and he married. I was pleased that he found happiness so late in life and I'm sure he enjoyed his life fully. Joe talked with me about Steve and I don't know the rest of the family; but you have lost a kind, caring man and though many years have passed, I feel the lost that you felt in 2012. My deepest sympathy.
