“ To Louisa, Linda, John and friends/family
Cousin Nick Tolla here.....very difficult to capsulize my many thoughts about Joe. Our families were lovingly together constantly in the those early days. As kids we walked up Cottage and played baseball, whiffle ball, basketball etc in Horton schools playground. Joe, John, my sisters Donna, Maryann, and many cousins had the best of times interacting!
I both miss Joe and love him! I spent many days playing golf on courses in Ct and NY. So many laughing momentsI recall one time when my son Nick joined Joe and I for a round in Putnam County and as we were teeing off , Joe lost his grip on his club, it flew backwards to where my son was and hit him squarely on his head!! We laughed more than cried and hugged each other..
To Louisa I don't have touching words of wisdom , just tears of love and caring. I pray for you Louisa and am here to console whenever needed.
John and Linda....I grieve with you and offer emotional support whenever you need.
RIP Joey, I love you and will catch up “on the other side”.....cuz Nick

“ *My deepest condolences to Louisa and John and the rest of Joe's family. Joe was a wonderful person and good buddy. We shared many an evening during high school and afterwards driving around in his blue VW listening to tunes and going to concerts. We had many laughs that I will always cherish and remember. May Joe rest in peace.*
