“ I just learned about Joe's death and am very sorry for his entire family and friends. We have been looking for him for a 50th high school reunion and found out about his passing. A lot of us went to school with Joe from St. Margaret's Elementary school in Seat Pleasant, Md. and then onto Central High School. The last we knew he lived in Lusby, Md. and was into Real Estate. Again, we are all sorry about Joe's passing and that he and Mary Lou cannot join us for our Class Reunion.

“ Adios Jose, We were neighbors with adjoining backyards. There was a path through the trees to "Uncle Joe's" as my two little sons called you. They used to go through the woods to visit Joe. My sons are grown men now. Joe was a school teacher before we met him and he sincerely liked children. I am sure his grandchildren will miss him dearly.
