“ With a heavy heart my wife and I send our deepest condolences to the Zanfini family. I have known Joe for over 20yrs and had the pleasure meeting him when he was a police officer for the Town of Westerly. My wife and I would meet up with him when we would camp in Pirate Land in Myrtle Beach and would catch up on what was going on in each others life. Joe always had a smile on his face and would help you out at the drop of a hat. May you be at peace now Joe and you will be forever missed.

“ I am so saddened by Joe's passing. But I wasn't happy when he and his family moved to South Carolina. I knew Joe best when he was a cop. And when he retired I wanted him to replace John McVeigh as Watch Hill's Primary Police Officer. Joe was lots of fun, but he was always so sincere and kind. Boy, did he ever give my son a tongue lashing when with a new driver's license, he of course was going too fast. I don't know if he ran Joe off the road but no one could have done a better job talking sense into that kid. I loved Joe even more after that. Geez, I'm really in shock. My condolences to the family. I'm sooo glad I can count Joe as a true friend. God speed. Hatsy Moore
