“ I wish I could have been there in person to say goodbye. Nana will be missed. As I write this, memories spring to mind. Nana was one of those whimsical individuals that could always make me smile. For that I am thankful for having her in my life. It comforts me to know that when she met her end she was surrounded by those she loved. I take solace knowing she is now at peace. “ Nana has brought more to my life than I'll ever know because of her spunk, humor, and her way of making anyone smile. Anyone I introduced to her always told me later how unique she was. I will cherish all the moments from the times I spent with her over summers to one of the last moments where she was checking out guys in the nursing home. Her life will live in all the ones she touched, and I can only wish to be half the person she ever was. She was a fighter to the end and I love her along with the rest of the family! Papa, I love you! Love, Kristin###imported-begin###Kristin Costa###imported-end###

“ Marsha and I are sorry to hear that Rose has passed on. I will always remember how she was a real character, and will remember the fun we had golfing years ago in Rhode Island. To Brad and Shanna, I'm sad that you will not be with Rose in person, but I know you will be with her in spirit. I'm glad you did have so many years with your grandmother, and had so many memorable moments together. To Jim and the family, it had to be wonderful to be so close together for many years. I'm sure Rose will be greatly missed by you all, and that her spirit will be with you every day. Our prayers are with you all, Brad & Marsha###imported-begin###Brad White###imported-end###

“ To my family....I sat and reflected last night about Chris' prayer. Chris said that Nana brought our family together, this is so true. Us all being here in SC has so much to do with Nana and Grandpa, they have brought us together on many occasions. I am going to miss Nana so much, but she remains in my memories for her love, humor/sarcasm, painted fingernails, and the strongest will that I know! I love you all! “ Dad...in 1971 you and Rose took me into your family and treated me like I was your son even though I came from the "wrong side of the tracks". I just want to let you know how proud I was to have called Rose "Mom"...like everyone else in the family I will miss Mom, but I am pleased to see that she is now in peace in the hands of God! Love your son, David###imported-begin##David Costa###imported-end##

“ Diane, my thoughts and prayers are with you and your family during this time in your life. If anyone can say "I know how you feel, I can" as you know I just went through the same experience 4 times this year. May you find comfort in knowing that your mother is, in my opinion, better off than we are because she is at rest and in the present of the Lord.##imported-begin##Jim Etheredge##imported-end##

“ Dad, Mom brought me into this world and helped make me what I am today. She taught me to be strong and responsible, two traits I have tried to pass on to Kristin. I will miss her so much and my heart is so sad, but I know she is with God and he is now taking care of her. She can rest in peace knowing she has raised a fine family.##imported-begin##Diane Costa##imported-end##
