“ We only met Josh once, for about an hour, it was very evident that he had wonderful parents, that were raising a bright young man, the future of America should be in the hands of people like Josh and his parents. If we had a son, we would want him to be just like Josh Powell. Tim & Julie Smith Ridgeville, SC

“ I met Josh only once this Spring when I arrived at a Tiny Doubles session. He greeted me with the biggest, warmest smile and was so helpful & professional...such a gentleman! Although I only met him this one time, his passing saddens me so. I know nothing can take away his family's pain, but I hope they find comfort in knowing what a wonderful job they did raising their son! May the Lord bless you and keep you all, and give you peace.

“ I didn't know Josh that well except that whenever crossing his path, he had a bright smile and was very well mannered. You could tell from the way he carried himself he was a great young man. I do know his family and my heartaches for them, but they are a Godly family and my thoughts and prayers are with them in such a difficult time. Heaven surely gained another angel and the Lord must have lots of work for Josh to do for him.

*We Low Carb dieters met Rhonda and Josh at Market Common one day, along with some other church friends for a health walk. Josh was helping us by buying a peanut butter fudge ice cream cone at Cold Stones. We were drooling. As the ice cream melts over the edge of his cone I just had to swipe it with my finger. His eyes got so big as his Mama is shouting to me, "NO Carol! Don't do it!", as I stuck my finger in my mouth. We all laughed so hard. How we enjoyed every time we were around him.*
