I'm still in complete shock& it doesn't feel real that you're gone. I'll see you again someday, but until then I love you& miss you so much. You may not be here anymore, but you're forever a legend. Rest in peace turtle. <3

“ Josh was a great friend to my son Stephen. Josh spent many hours at our home and was a joy to have around. He was a breath of fresh air, very mannerly, and always smiling. May God embrace and be with his family at this time of deep sorrow. The new star in the night sky is Josh looking down on his friends and family and watching over them. My prayers and condolences to the family. Donna Cawthon

Joshua use to play football on the side of our house with the other boys in the neighborhood when they were younger. Although he stopped playing football he still would stop to say hi. He will be missed. Our hearts go out to his family. Robin and Robbie
