“ *I remember when Kenny and Joyce were dating and they came by the Cairns farm one summer evening. Joyce was so pretty and I envied her beautiful outfit she was wearing. It's hard to believe I am only 5 years younger. After Terry and I married, and we had Thane and lived in Brodhead, Wisconsin, we would visit them in Janesville at times. The children were all quite young. When they were in the process of moving to South Carolina, they brought over to Brodhead a very nice red bike that had been Jimmy's. Thane learned to ride bike that summer and that bike moved with us to Kansas a bit later. It was great to have her at the reunion in Marysville and mom so enjoyed visiting with her. After John and I married we took an extensive trip south and then up the east coast. We had contacted Joyce to try to meet up with her in Myrtle Beach. However, she was working at a branch bank that day in another area. She provided explicit instructions as to where we could meet for lunch. We had a wonderful visit even though it was her lunch hour and rather short. She was always so gracious and pleasant. We send our love and caring to all the family. John and Ruth Jackson*

“ I remember being so sad when Uncle Kenny and Aunt Joyce and my cousins left Wisconsin for South Carolina (now I'm jealous!). But I have great memories of our family visiting and walking along the beach. I remember when Nathan and I visited, probably early '90s, I know Joyce was still worked at the bank. I think we were traveling through and called and dropped over. Joyce pulled a delicious cheesecake out of the freezer ;) yummm! A few years ago Nathan and I were vacationing and driving through MB and your family had a meet up for us! Then this last February we were camping for a few weeks at MBSP and Joyce and I visited for quite a while. That big balloon from China when over the beach on our trip! She said they did that special for our trip, haha. And Eliza was born right about that time. I was named after Joyce! For the first 20 years of my life we were both Joyce Cushing :-)

Even though she was younger than my mom, they were in the choir together at the church in Janesville, WI. When my dad walked into church my mom leaned over to Joyce and said, "I'm going to marry that man." Lol. When we would visit she would LOVE to talk about family - about the kids and their spouses and grandkids and greatgrand kids! Not sure if she traveled or had a hobby - what she loved was her family❤️❤️ We were lucky to have loved her. She is missed. All of those little ones will have her looking out for them.

“ *So many wonderful memories of our summertime visits with Uncle Kenny, Aunt Joyce, and all the kids! Running around and looking for sand dollars and sharks teeth was so much fun:). “ *Fred and I wanted to offer our condolences to all of you; Fred remembers what a nice visit he had with Joyce when he and Joyce arranged to meet at a freeway rest stop when Fred was traveling in-between art shows! And although we lived far apart, we do remember the reunion in Marysville so many years ago! Fred's mom, Elma, always kept up with Joyce after your dad died, too. And we have relied on Maxine and others to keep us updated since. With our heartfelt sympathies and blessings to all, Fred Cairns and Kathy Dawson*
