“ *Everyone who knew Joyce and loved her is sad to hear about her passing, but know that she is happily stirring up things in heaven and back to her old ways of having fun. She had a great sense of humor and a passion and love for people and all of her animals. Thinking about you, Becky and praying for you during this difficult time.*

*Joyce sure did love you Lisa. Thank you for all you did for Joyce and I. I'm so glad you became a part of our family through all this. I could not have asked for a better caregiver and friend for Joyce. The extraordinary care and dignity you gave Joyce meant the world to me and Joyce. We love you so much.*
