“ Leigh and Elizabeth, I fondly remember your dear mother at all your high school basketball games. She loved you girls and enjoyed seeing you play ball. I also remember her as my nurse. For many years she was the beautiful face that met me on my doctor's visits. She was always so pleasant and kind and professional. I know you will miss her but she has taught you well and you will carry her beautiful spirit in all that you do. My deep and heartfelt sympathy goes to both of you and your families. God bless. Your old coach and friend,

“ Leigh and Elizabeth, My heart goes out to both of you and your families! I remember fondly so many times that we were together as you girls were growing up. She still seems so young to me. Much love, Aunt Barbara
