“ Dear Don, David, Elene and family, Wow, I was so shocked to hear of my dear friend passing away. So sad to hear this. My deepest sympathy goes out to all of you. Joyce, Freda and I worked together for 4 or 5 years but formed a friendship that lasted forever. Joyce was my "thesaurus" before computers had spell check. Best speller I ever knew!! We went through so much together and have so many great memories. Rico's restaurant was one place we had so many great memories. Seafood Rico was Joyce's favorite. She always had something witty to say or something to make you laugh. Always positive. Joyce was one of a kind and I will miss her very much. But she has given me and I'm sure others a lifetime of wonderful memories. Love and prayers to all of you.

“ Kindness and a keen sense of humor combined in one gracious hostess and special lady. She shared clever culinary creations with the community. No need to say "Let's get this party started," because with Joyce there, it already was. She and Don celebrated their anniversary in style. "Not every lady has a husband to accompany her to a new restaurant," Joyce observed. So she organized the "Hickory Nuts". Not only did I share in those lunches, but I remember those times when she would made certain I had a ride home after my husband dropped me off. She did the extra like that. She loved her family, telling lavish stories. Her spirit lives on.

“ *Wherever a beautiful soul has walked....there will always be a trail of beautiful memories.*

Joyce was one of my oldest and dearest friends. I have so many wonderful and funny memories of Joyce and the good times we shared. She was one in a million, a special lady who could light up a room just by walking in. Saying good bye is so painful, I will truly miss her. Rest in peace my dearest friend.

My love and heartfelt prayers go out to Don, Aline and David.

Love, Dee

“ *My heartfelt condolences on your loss. May you find comfort from your cherished memories and from the uplifting words of Revelation 21:4. Soon the pain and suffering we experience with the death of a loved one will be no more.*

My heartfelt condolences to Don, David and the family - the loss of a beautiful lady - inside and out. Joyce would definitely light up a room, just by her presence. The two of us became friends immediately after we met in the early 80's. We worked side by side at PPG and have kept in close contact over the years. I loved hearing from her through emails; sometimes they came ten at a time. Joyce had a contagious laugh and sense of humor. She was truly a wonderful person whom I will dearly miss.
