“ I was sad to learn of Jualine's passing. She was such a kind lady and, although I didn't get to know her well, she always had a smile for everyone - - no matter how she was feeling. She really enjoyed taking part in our "Dog Pen Parties". I will miss her. Carolyn Harley-Kuhn.

“ *Tressler Family,*

We are so very sorry for your loss. Words cannot even begin to express our sorrow. Jualine was such a wonderful, sweet person! I have had the pleasure of knowing her for 36 years. She will live on in our memories forever. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Perhaps they are not stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. May your memories give you peace and comfort Love you with all my heart! RIP Jualine
