“ To the family of Ms. Juanita you are all in my family's thoughts and prayers. May God comfort you all in this sad time. I knew Ms. Juanita from wal-mart. I had the pleasure of working along side of her for a while. I may not have known her for long, but her wonderful smile and loving spirit was one thing I always looked forward to when going to work. She taught me a lot about the jewelry counter and helped me develop my career at wal-mart. I will miss her and her smile so much.
