“ To the family,

*Mrs. Johnson was also my teacher. She did always have the sweetest smile each time you saw her. She expected the best from her students and made you to want to learn. May God bless you during this difficult time.*

“ Calvin, I was saddened to learn of Ms. Juanita’s passing. She had been a cherished dear friend of mine for MANY years. My Mother also thought a lot of both of your parents. She used to play the piano for the quartet your Dad sang with. you boys were so blessed to have godly parents who “walked the walk and talked the talk” all the days of their lives. Your Mom had such a sweet spirit and I want you to know that I loved her. May the memory of happy times bring you through the days ahead. Donald passed due to covid on September 1. He thought so much of you. I love you, my friend, and I will be remembering you and your family now and in the days ahead
