“ Dear "good neighbor" Gene, You made Fred and me so comfortable when we returned to Bucksville to live and met Nita, the love of your life. You two truly became "one of my life's extras" when you shared in my loss of Fred. Also,that so long ago, Nita and I shared employment in the Collins Dept. Store chain when I was secretary to Mr. Collins. Please know, though belatedly following out of town trip, I share your sad loss but celebrate her life with fondest memories. Sincerely, Lillian##imported-begin##Lillian M Thompson##imported-end##

“ How I will miss my dear Aunt Neta and all the stories she used to tell me about my dad, "her best looking brother" who always remembered her birthday. I cherish the last few years when we have had opportunities to become better acquainted via our trips to Columbia to see Aunt Dot and our many happy outings for lunch. We will meet again! Love to Uncle Gene, and all her family.##imported-begin##Nedra Spears Black##imported-end##
