“*Judilynn was a great cousin. Our families were very close when we were growing up. I remember celebrating every holiday with them and traveling all over the US to visit her family. My stster, Laurene, and Judilynn loved to perform together. In recent years we have lived further apart. When June died we had the opporutuity to spend time with Judilynn and catch up on old times. What a blessing. Judilynn was a great person and will be missed. She was taken from us too soon.*

*Judilynn was the sweetest person I ever met! She was always smiling & being kind to others! She was a second mother to my sister Jenny Lane! She has always been an angel watching over her girls being the wonderful mother that she was! I know she is still watching over her loved ones to this day!
The only difference now is she that she got her wings!
We love you Judilynn forever and always!!!!!!!*

*"Make yourself familiar with the angels, and behold them frequently in spirit; for without being seen, they are present with you.

I had the pleasure of meeting Judilynn at a Home Depot Ladies Night Out class. She was so creative, she could have taught the class herself. She was truly one of the sweetest, dearest people I've ever met, always had a smile and encouraging word. We have lost a dear soul, but Heaven has gained one. Our one consolation is that one day we will meet again. Our deepest sympathy to her family, may God give you comfort at this difficult time. Love and God bless, Elaine & Randy Wheaton
