“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ Tracy, It deeply saddens me to hear about the passing of your Mother. Even though it's been many years since I've seen your Mom, I still have wonderful memories of her. She was always so kind to me. I especially remember in my time of need, when my mom passed away. Your mom came to the lay out to share her condolences. It was very special for me. I only wish I could be there to share mine with you and your family. Hopefully this memory will bring you a little happiness. Best Wishes, Jeff###imported-begin###Jeff Dapper###imported-end##

“ Dear Tracy and family; I was so saddened to hear about your mom passing. I cannot even imagine the pain that all of you are in. I've known your mom since we started in kindergarden and she was always one of the "fun" moms of the group. She was loved by so many people, and I will always cherish the great memories of being at the Bateson's on Edwards Court. Please know that you and the entire family are in my thoughts and prayers as you go through this difficult time. If there is anything I can do, please don't hesitate to call or email me.
