Tribute Wall

“ I learned of Judy’s passing through the Horigans on Broadvale Road in Meriden. Judy was my neighbor while I lived at 3 Broadvale Road and we went to Roger Sherman together. I remember playing with her and Danny next door and after they moved to Wall Street. My mom remembers Judy as the vibrant, energetic red-head little girl. Our sympathy goes out to the family. “ Judy Man you will be missed. Your jokes your story telling, your love for softball and golf...you taught us many things and still had more to offer. For all the insurance years married to George, you should have been named an "honary agent". You both helped on our wedding day so much-we will charish the good times forever. All our love.
