“ Although I had not seen Ms. Russ in about a year, she is never far off my mind. You see, I first met her back in 1993 when I began working at Conway Nursing Center. I was a new graduate from OTA school and had the privilege of working with Judy for 12 years. I learned a lot from her. I am very Thankful for having had that experience. As I go to work each day, even though she has not been there in almost four years, there is scarcely a spot in the facility that does not make me think of her in some way. My thoughts and Prayers are with her family during this very difficult time. Ms. Russ will be Greatly missed!!!##imported-begin##Michelle Boudreau##imported-end##

“ Judy and I were very close friends in high school in McColl. I missed seeing her at our class reunion last October, and was sorry that she and I could not make other plans to see each other elsewhere because of other commitments. I had just written her a note but had not mailed it when I got the news of her passing. I am in shock and very sad. I will miss her and am more sad knowing that I will not be able to see her on a future trip east. My prayers and thoughts are with you during this time.##imported-begin##Phoebe Hoffman##imported-end##
