“ You will never know how much you meant to me. I miss you so much already and can't believe you're gone. All of the time we spent together all the things you did for me, will never be forgotten. There are so many memories I have of you I wouldn't know where to start to share them. Holidays at your house with whipped cream, pool parties, pumpkin pie, trips to Handy Pantry, the grey ghost, my bridal shower quilt, my wedding, my baby shower and Katelyn's baby quilt, I can go on and on about you and all of the wonderful things about you. You were my second mother and always will be. Uncle Paul, Tommy, Lisa, Paul, Sue, Kevin, Kim, Bobby, Tyler and Natalie I love you all very much and I am here if you need me.

My Dearest Judi,

I will miss you so much...I know that we have only been friends for such a short 3 years.....but seems like you have been my friend forever. I will miss your presence around when we would go out to eat after a great day of golf with the guys, your wonderful Thanksgivings and New Year parties that you and Paul would have for all of us neighbors at Clearpond.

I know that you will be in charge now of all the golden threads in "Heaven".....sewing all those golden robes with worry free thread.

Love and will always miss you.....Connie Broadie Lucente
