“ *Jeff we will all miss you Mom. Mah Jongg was the game we all love and your Mom was part of the group. When my daughter as a Horry County Police Officer was directing traffic around an accident at the front of Blackmoor I had to call on your Mom for help. I was not home and my daughter called me for some water. It was stemming hot and she was getting dehydrated. Your Mom brought out a water cooler to her. Any time a neighbor needed help your Mom was there. She was a very special lady.*

“ Judy, you will be greatly missed by everyone, especially me. It feels like part of me left with you. My heart aches and I will miss having you to talk with. We shared everything growing up from a bed and clothes to our innermost thoughts. I know you will have Peace in Heaven and seeing those that went before you. Until we meet again. Your sister, Linda

Judy was very special to me. Not only was she my aunt she was like a second mother to me. My children considered her like a grandmother. She will be truly missed. Words cannot describe the loss I feel.

We were as close as sisters growing up. We wore each other's clothes and shared secrets. I stayed at her house almost as much as I stayed at mine. I will greatly miss her and my prayers go out to Linda Phillips and her son Jeff and the rest of the family. It is a sad time when you lose a loved one. She was one of the best. Her cousin, Bonnie Kaye
