“ *Pat, Angel, Patsy and family,
Judson had a way of making people feel like family. Always welcoming with a warm hug and a big smile. I have memories of some fun times. I loved to see him dance. I know he is dancing in heaven with Kelly Ann and that everyone is crowded around the dance floor watching. My thoughts and prayers are with you all.
I love you, Pat. You and Lou are the sisters I didn't have. Hold tight to the memories of the good life you and Judson shared. God will see you through.

“ Life contains many blessings and Judson was truly a blessing to all who knew him. He was a person that everyone liked to be around. Not only did he have an uncanny resemblance to Uncle Hinson, he also had his sense of humor. Judson loved his family and we all loved Judson.
To Aunt Thelma, Pat, and all of the family, our thoughts and prayers are with you during this most difficult time.
With the passing of time, the sadness we all feel will subside, but the wonderful memories of Judson will be with us forever.
Best regards,
