“ Judy we have had so many memories I don't know where to start. All I know is I am going to miss you everyday of my life. It's not fair I have lost you. But I guess people say you are here in spirit. So I will talk to you everyday. And I will always remember the guidance you have given me. Much love to u my dearest sister, sister Inlaw and best friend.

Judy was funny and kind and thoughtful and loving. To have lost her so early is unimaginable. Both Sarah and I send loving thoughts of comfort to all of the Borchers and extended family and friends of this fine woman.

“ I am sharing one experience with my daughter, Judy and John. My daughter posted on Facebook they were having problems with their pool. Judy and John got in the carb and drove to her home to take a look. When my daughter said how nice that was to just come over spontaneous, Judy and John said, "we weren't doing much. Just having a water balloon fight!"

Thank you for sharing that. My sister was very special.

“ In a short period of time, I feel blessed to have memories to share. Judy and I shared a love for the singer, Pitbull. At Poppy! Was our saying. We saw music shows and drag shows, always having a good time. I can only hope I put an impression on her heart as she did to mine. It hasn't fully hit me yet that she is physically gone but I know she is always around.

“ *When you drove your Tahoe SUV and our boss thought it was too heavy to park in the parking lot.. Ju you set the goal so high that no one could ever come close. I miss you immensely. We laughed and cried. We've gone thru the worst times as well as the best. God called you home and we are left broken hearted. Your friendship of 25 years meant so much to me. I lost a big part of my heart. I love you girl. Remember we always said.. It's not goodbye..I will see you later.*
