Conway...

Mrs. Judy Bland Crosby, age 76, passed away on Sunday, December 14, 2025 at Conway Medical Center.

Born July 29, 1949 in Conway, she was the daughter of the late J.P. and Maddie Allen Bland.

She found peace and pride in tending to her plants and garden, nurturing them with the same care she gave to those she loved. Judy's kindness, gentle heart, and joyful presence will be deeply missed by all who knew and loved her.

Along with her parents, Mrs. Crosby was predeceased by her husband, Joel W. Crosby and her brother-in-law, Clarence Burns.

“ About 15 years ago, her granddaughter Liz, great grandson, Landon, and myself visited Mama Judy at the Gay Dolphin Gift Cove on Myrtle Beach. She greeted us with a huge smile and when she finished with her customer, she came over and snatch Landon. She took him around the gift shop showing him things he would like and allowing him to touch and hold some of them. His favorite was the water features downstairs. He was thrilled to splash around and have a grand time. When I thought he was being too rambunctious Mama Judy said, “he is fine; he won’t break a thing!” Her love for family and for people was very evident. She was well suited to work many years at the Gay Dolphin.

A different time, I went to her house to either get something or pick up something. I don’t recall the details but what I do remember was when the door was opened there were bodies and bedding everywhere! They were having a family sleepover.

“ Judy and I spent time together working for the Plyler's at the Gay Dolphin, she and I had the best time and her sense of humor was just plain hilarious! My sympathy to all of you that I know she loved so deeply.

“ 24 yrs. with beautiful memories. The great time you had in Ecuador at the beach, the mountains... except of course when I took you up 15,000 ft to the Chimborazo volcano, I knew then you did love me, otherwise you would have been upset because that should not have been a place to take someone with breathing problems. But fun we had!
And the grandma and great grandma love. Thank you for spoiling them.
I love you. I will miss you Suegrita.

I am writing this for my dad, Wayne Crosby. He and her husband Joel were cousins. My dad loved Judy very Much and has fond memories of her when they were younger. Dad suffers from dementia now and struggled to bring those memories back but I know they are there. Love to our South Carolina family from California.
