“ *If you were to write down all the wonderful things about my Aunt Judy, you would run out of room! Aunt Judy was the most kind, generous and giving person you could have had the pleasure of knowing!!*

Aunt Judy would give everything she had if someone needed it, her kindness was beyond measure, If you had the pleasure to be in her life you were truly blessed.

We will miss her deeply but she is now happy and free of pain and walking with Mark!!!

Aunt Judy I have a special request, will you give mom and daddy a hug from me and tell them I miss them so much.

I Love you,
Michelle Duncan

“ I love Judy Martin Duncan. She was like a big sister to my sister Judy, who just passed away this passed May 10th, on Mother Day. Judy stood by my sister Judy always, even up to the day my sister went to Heaven. Now the 2 Judy's are together in Heaven. Judy kept in touch with me me before and after my sister Judy went to Heaven. I hope every one know that we all have lost a true child of God. I love her and I will never stop thanking God for her. The last time I saw Judy was last year when my sister Judy was in Charleston, S.C. Hospital. Now I learn that Judy went to Heaven at the very hospital I last saw her. I was in S.C. last May before my sister went to Heaven. I ate some beef stew that Judy had sent over for my brother-in-law Wayne. I had to call Judy to tell her that her beef stew was so delicious. A couple of days after I left S.C., my sister Judy went to Heaven. Now God has 2 wonderful JUDY'S and we should take a moment to Thank God for loaning us these 2 Judy's. God Bless Katherine. I know her heart is breaking in to. There is not enough space for me to say what a friend Judy has been to me. She is/was only 3 years older then me. But so much more wiser. Hey Judy, if you can see or hear me, I WILL SEE YOU IN THE RAPTURE, one way or the other.

Our thoughts and prayers are with the family. We grew up in church with Sister Judy. Always had a kind word to say. She loved her Lord and she served him to the best of her ability. She is now at rest, no more pain, no more troubles, no more tears. Be Encouraged. God Bless you all.

Mrs. Judy was a very kind soul. You could look at her and see the love of Jesus. We were in Church together every Sunday morning, night and Wednesday as I was growing up. Now she rests in Heaven. My thoughts and prayers go out to her family, especially "Mrs. Tank". I pray God will comfort you in your loss. God Bless!
