

## Judy Dunham

February 7, 1940 - February 1, 2024

Judy Dunham of Murrells Inlet, SC rose to Heaven on February 1, 2024. A devoted wife, amazing mother, and incredible Maw Maw, Judy will be missed, not only by her immediate family, but her wonderful in-laws, nieces, nephews, and friends.

Left to cherish her memory are her daughter Shelly, and grandchildren Taylor (Robert) Clayton, and Brandon (Erika) Slagle.

In lieu of flowers, please honor Judy and her family by taking time to celebrate life, and create special memories with your family and loved ones while enjoying a rousing game of Phase 10 or dominoes.

“ Judy and I became friends when we met in 2015. Our friendship grew into a memory that I will always treasure. Judy was my go-to-lunch/movie buddy and a strong woman, whom I greatly admired. We shared wonderful times together, mostly laughing! Her daughter and grandchildren were the lights of her life. Rest in peace, my lovely friend, until we meet again.
