“ Bill, Amy, and Kimber, I am so saddened to hear of Judy's passing! She was truly a kindred spirit, and proof that Angels do, indeed, walk among us here on earth. I sat last night with the photo album "Meemaw Judy" made for Tyler, and was taken back to a special time in our lives with so many good memories and such an abundance of love. Judy opened her heart to everyone, and for those lucky enough to have known her and be loved by her, the world is a better place. I know our world is. We are so very blessed to for having known known her!

*May all the love and special memories of Judy (and there are so many!) keep your hearts full and warm, and may they carry through the days when you miss her so badly. Just as sure as I am of our God in the heavens, I am sure she will continue to walk with you and be there when you need her the most.*

*Much love from our hearts to yours, Rhonda and Tyler*

*Our thoughts and prayers are with Bill and his family along with everyone that knew Judy. She was a great woman and kind to everyone she met and was like a second family to my best friend Kimmie and her children. She will be missed by many but left a lot of good memories to cherish.*
