Beautiful tribute to a sweet, loving lady. She taught our daughters Dani Gilliland and Toni Gilliland at Lower Creek Elementary School over 30 years ago. Also she attended Lenoir Community Church with us. Rest in peace Judy! You will missed! Our condolences to all the family!

*Heartbreaking news. Judy was both of my daughters kindergarten teacher at Lower Creek Elementary. She was so loved by all the students but especially my girls. Rest in peace and know that many children got a wonderful start to their school years because of you and the lessons you instilled in them.*

*“ My heart has been very heavy since about four days ago I learnt of Momma Judy's death. Momma Judy was a very kind-hearted, generous woman. She went extra miles to help me financially in 2011 and 2012 when things were very difficult for me. Though she was told that many Nigerians weren't very honest people, Momma Judy trusted me because she saw that I was a genuine believer in Christ. I began to call her "momma" when she was alive because she was indeed 'motherly' to me. She cared for me as she would for a biological son. She was blind to race and skin colour. I shall miss Momma Judy extremely much. Dear Lord!!! #tears!*

“ It is my loss that I never met Judy and only met her husband Lou a couple weeks ago. But it was evident to me that she was a precious child of God because of the constancy with which Seaside Community Church prayed for her through her long illness. Reading these tributes and memories confirm how special she was. May our heavenly Father wrap His strong arms around Lou and give him comfort and peace. Someday I will see Judy in the New Jerusalem.

“ Judy was always so nice to me. Her smile would light up any dark room. Every time I would see Judy she would always give me a hug. You will be missed my friend but never forgotten! Now you will be with friends and loved ones gone before you and share that sweet smile in Heaven.

Thank you, Richard. Now I will have to learn the lesson I taught her. That it was okay to keep on loving him. Her love was genuine and eternal, for Tom, for me, and for everyone whose lives she touched.

Elizabeth Cook - April 07, 2017 at 07:34 PM

Hydie, I tried to post the positive things - of which there were many. When she was admitted to CMC two weeks ago, she was in very bad shape. 48 hours later, she was sitting up in bed, smiling, telling me she loved me, and asking when we would be able to go home.
