“ *I had the pleasure of working with Julie at Lighthouse Behavioral Health Hospital. Julie was one of the nicest, most caring and compassionate people you could ever hope to meet. She will be missed more than words can say. I look fondly at the spider plant she gave to me and it always puts a smile on my face.*

“ Julie Jenkins changed my life for the better, and I will forever miss her. Even though I'm older, she was the wise one who gave me great advice, encouraged me to look at my real issues, and always did it lovingly. She was a wonderful mother to her children and loved and cherished her entire family. I never...and I mean never...heard her say a bad word about anyone. And she beat me badly most of the time at Words with Friends! Rest peacefully, my friend. I will miss you forever.
