“ *First of all I want to say rest in peace Mom and John. We love you and miss you both! My mom was one of the strongest people I know. No matter how hard things got in life, my mom did her best to work through the obstacles. Our mother taught us how to be strong and independent, and for that we are very grateful!! Even though this is the hardest time of our lives to deal with, we know our mom is looking down on us smiling and she is proud of each of us for being so strong. I want to thank everyone for your comments, thoughts, and prayers. We really appreciate everything. Please keep us in your thoughts and prayers. We love you all!!!##imported-begin##Jessica Kingsley##imported-end##*

Before she became my sister she took care of me and my brothers and sister. Then the day my dad married her mother we became the real family that we all were grateful for. I will miss her so much and my love will never end. She raised her children with all the love she had. JuJu you are in heaven and I know you will always be with me and I will never stop loving you.##imported-begin##Brandy Lagasse##imported-end##*
