“ To Bob and all of June's loved ones and friends, I extend my sincere sympathy. My husband, Frank, and I shared many Tuesday lunches at Fridays in Murrells Inlet with June and Bob, and I know that we and all the staff that knew and loved her will truly miss her presence with us.

“ Dear Uncle Bob and my family,

I know your sad. I know you hurt. I know you wonder why.

This is the hard part of life. This is the worse part of life.

How do you continue.....

You look at the sun, the rain, the clouds, the snow, the waves in the ocean and the stars in the sky.

You smile and say hi.

As Aunt June holds grandmas hand, she smiles back, she is well and she sends you her love and strength to go on.

May you feel her love all around you for the rest of your lives.

Love, Mary

Yes we also believe June is with our Mom. They will always be in our hearts and minds as we must continue on . I will always miss my sister she was like a mom to me when I was young . My nephews and neice were more like brothers and sister to me. Our Family has always been everything. We will continue to be close for each other.
