“ I was talking with a friend from Huddleston, Va. Bill Hudson over the telephone about an hour ago and he told me that Bill had passed away. I worked with American Oil Company at the same time Bill was employed with them and first met Bill in 1960 at a meeting in Charlotte. I also stopped by and visited with him at his office in Conway. He was a great guy and I have some fond memories of him. We want you to know that our prayers go out to you and the family during this time of sorrow.
