I am so sorry. I just found out about Jay's passing. My heart, my prayers, my love go out to you at this time. It's hard to believe you, I and Jay just had sunday lunch together and had some special laughs. May God wrap his arms around you at this moment of need and hold you tight. “ As kingfishers catch fire, dragonflies
Draw flame ;
As tumbled over rim in roundy wells
Stones ring;like each tucked string tells, each hung bell's
Bow swung finds tongue to fling out broad its name;
Each mortal thing does one thing the same;
Deals out that being indoors each one dwells;
Selves - goes itself ; myself it speaks and spells,
Crying 'what I do is me: for that I came'.

*I say more; the just man justices;
Keeps grace: that keeps all his goings graces;
Acts in God's eye what in God's eye he is-
Christ. For Christ plays in ten thousand places,
Lovely in limbs, and lovely in eyes not his
To the Father through the features of men's faces.*

“ Shirley, Jan & Mark, Cindy, Kathy, and families:
Jay was a wonderful husband, father, and grandfather who enjoyed his life and his family. His wry sense of humor and wit will always be remembered. And when he smiled, he did so with his whole body. He will be remembered fondly by all of us and will be sorely missed by his loving family. May God bless you all and give you the strength and peace to honor this very special man. Memory eternal, Jay.
