“ *Justin will be missed. It's hard to believe he's gone but will never be forgotten. I remember the day they pulled up with that baby to that home for the first time. It's been a long time but will always have wonderful memories.*

“ He was a great friend and co-worker we won't forget him. It's sad for many, but it is also sad for the people that will not get to meet this big goofy guy who was always helpful and there when I needed help or someone to talk to. He taught me quite a bit about HTC and always gave me good advice. I know that he will be miss but not forgotten. We will keep up the good work for you big guy. Miss you.
