“ I can't imagine what you must be going thru. It was bad enough to lose my Momma & Daddy in the past two years. I can't even fathom lossing either of my two boys. Please know that my thoughts & prayers are with you during this difficult time. May God's strength & mercy help your family get thru this time. It's something you will never get over, but I'm sure Justin would want the family to pick up the pieces & move forward with your lives. Keeven, If there is Everything I can do for you or your family ~ please don't hesitate to let me know.
