Just sitting here today thinking about you girl all the fun times we had in school, you were there for me when I was at my lowest and no one else was, I sure wish that you were still here, but God needed you. Love you girl and miss you so much 💕

“ Karen was so full of life, she was a special ray of sunshine to everyone's day! I am so sad that she was taken so abruptly and much too soon! But, she is a beautiful Angel now and will always be with us! She fought cancer 2 times and this one just snuck up on her. She was so busy being happy and in love with her fiance, John! I enjoyed watching her smile and having the best times of her life! She loved making everyone happy and never wanted anyone to be sad. I've known her since 2001 when I moved to SC and became her school bus driver. She would bring me bagels sometimes in the morning and she'd always help me clean up the bus... especially loved when i threw a pizza party on my last day! We had such a blast and she never forgot it! She came to my 50th birthday a few years ago and did all she could to help out! We had many great times going to House of Blues to see my favorite Bon Jovi tribute band and she became their greatest fan! The pic I am posting was from my birthday! She was so happy to get the drum sticks from John, the drummer! He's her favorite!

To her mom and family: Thank you so much for letting me know she was in hospice and allowing me to be a part of saying goodbye. It was so hard, but being with all her family and some close friends really helped ease some of the pain of losing such a wonderful young friend! I will always remember my BOBO girl! Rest in peace sweet baby girl... See you again one day!

“ I am so sorry for your tremendous loss. Karen was one of my closest friends. She was an angel here on earth. She loved my children as if they were her own. We are heartbroken but know that God has a purpose for everything. Thank you for sharing her with me and the boys! I feel like she is up with Jesus, holding my little baby that was taken before he was born, and they are watching Gavin play the drums! I love you all and I'm so blessed to have been friends with her and with you all! May God wrap his healing arms around you all and hold you tight through this tough time.

“ Nanny Karen....you were SO loved, especially by Jude and Eleanor. You were their Nanny, their caretaker, their friend and you helped mold them into the wonderful children they are today. You were also my friend and partner and helped carry me through some of the most difficult times in my life. Such a positive person-always willing to help with a smile on your face. You enjoyed life to the fullest and you cared deeply about St. Jude -always trying to find a way to raise money for the organization. Arts and crafts and cooking were your favorite. We have so many memories together-shared so many special times and holidays together. To Valarie, Connie, Marshall, Rodney and the rest of the family-THANK YOU for sharing Nanny Karen with us and for allowing us to love her unconditionally. We love you all and we will always miss our amazing Nanny Karen.
