“ *I have fond memories from my childhood riding in your van and listening to nursery rhymes heading back to New Jersey with you to spend time over the summer with you and my cousins. You were a beautiful person and a loving mother. Always felt loved and welcomed in your presence with a heat of gold and a carefree smile. We love you and will miss you. You are now in the presence of our Heavenly Father and reunited with your mother and brother. Forever in our hearts love you*
