“ I did not know Karen like the rest. Myself also being a Socastee mom I was occasionally on the football field taking pictures of the Socastee Football team while she was in the stands being a BRAVE and supporting the BRAVES at every football game I came to. I was mostly on the Baseball field also shooting away. I did not speak a lot to others (due to the fact of taking pictures) but was always and somehow connected to ALOT of parents and Karen through FB... We became friends on FB a couple years back and if I remember correctly met through a mutual friend at one of the Socastee games. Her smile, sense of humor and her laughter were contagious. Her spirit brighten the stands!

To her family and friends I am so sorry for you loss. A beautiful soul taken to soon. I am sending prayers to you all. May God send you all peace...God Bless
