“ Dear Mel & Family, It was our pleasure to be a part of Karen's life. A glass of wine on the front porch or to a movie, where she would always bring something to munch on... Good memories will last forever, as Karen remains in our hearts. Cheers Karen... Our condolences to you in your time of sorrow. May your heart be comforted today and tomorrow. You'll miss their presence being there all around. But I can assure you they've moved to better ground. They closed their eyes here on this earth and have opened them to heaven where there is new birth. Love & Friendship, Sharon & John Bernabeu##imported-begin##Sharon Bernabeu##imported-end##
