“ I read of your loss and want to express my deepest sympathy. DEATH is an enemy and its sting is powerful, because we have a built-in desire to live and enjoy life with our family and friends. When we lose our loved one, for whatever reasons we may believe, it is distressing, because we miss them very much. At these times, we need encouragement and hope so that we can cope with our lost. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the resurrection hope of seeing our loved ones again. John 11:11-44, John 5:21, 28, 29 and Revelation 21:3, 4. God?s promises helps us to confidently look to the future when God, the Giver of life, will bury death forever. What a blessing it will be when we can rightly ask: ?Death, where is your victory? Death, where is your sting?? -1 Corinthians 15:55. I hope that you find comfort in reading these scriptures. And my prayers are with your family.##imported-begin##Karen Cross##imported-end##

“ Karen and I didn't get to talk as often as we used to, but we danced together a while ago. Marla introduced us when Ms. Ramona died, a few days after my sister. When Karen and I met we just sat there and talked as if we'd known each other for ages. I will always remember her smiling face at dance. ~\*Rachael\*~##imported-begin##Rachael Lilly##imported-end##

“ To Karen, I knew Karen thru my niece Danielle and thru Terry and Don's Gymnastics. There wasn't a time that had gone by from the day that I heard Karen was sick, that I didn't pray day and nite. When I would wake up in the middle of the nite for no reason, I knew that was quite time for prayers. My prayer was for healing and the miracle of life for Karen. Karen was a beautiful spirit. Smiling eyes and beautiful smile. She never made you feel like a stranger. Kind and always welcoming. Karen, when the Lord extended his hand to you, however sad, you took it with the loving grace that I pray that I will have when my day comes. You will be forever in my prayers and thoughts. “ To Karen's family: You won't recognize my name as I am from the distant past. I remember Karen from gymnastic days when my daughter, Ashley, was one of her teammates. What always struck me was how happy little Karen was and what a talent for gymnastics she possessed. I have kept in touch with some and have followed Karen and her illness through friends and have kept her in my prayers since the news of her mother's untimely death. When I learned of her bout with cancer as well, my prayers continued for her as well as for you all. What a valiant fight she fought with not only grace but dignity. She is a hero to us all. What a treasure heaven is welcoming, and what a legacy she leaves behind in her young new family. She will be remebered for her strength, courage, beauty, kindness, and above all, her caring spirit. You are all in my prayers. May your faith lift you up and bring you peace in the days to come. Sincerely, Karen Rex###imported-begin##Karen Rex###imported-end##

“ Karen, I must say that my life would have not been complete if I hadn't had known such a beautiful and well rounded person as you. Your smile could make anyone feel better at heart, your encouragment and laughter was always there to brighten someone's day. I look back to think of all the things and special memories I shared with you, from dance class as small kids to the numerous times I stayed the night at your house. At one point I felt like you were my long lost sister I was with you so much. Rice crispy treats, chocolate icecream, and a good movie was always something that was expected in your home. How about those beauty pagents we always had? I feel like a part of me is missing with you gone, but I know that you are happy and at peace with life. Tell mom I said hello and promise me that you will look over us. You will truly be missed but never forgotten. I love you Karebear!! Love Vee!###imported-begin##Vanessa Stike##imported-end##

“ Care Bear! I love you so much! I really hope you've been listening the past few days- I've been talking to you. There is no possible way for me to explain how I feel at this very moment. I miss you so much it physically hurts. I just finished listening to the voicemail you left on my cell phone about 2 weeks ago. You told me you missed me and you were very tired, and that you had a thank you note for everyone at the office for the camcorder we got for you! You wanted to get the address because you forgot it. You sounded so content with everything. The last thing you said was that you were OK and you missed me and that you loved me so much! I love you so much more! I saved the message and I keep listening to it just to hear your voice. Even now it makes me smile. = I remember you worrying so much about me working at Dr. Cleary's office. You kept asking me everyday if things were working out and if everyone was being nice to me. You were always so concerned that everyone was happy and carefree. That was you. I know you're reading this now and smiling. I remember Ms. Marla and dance class- our moms sat together and we were lined up on stage in those little black leotards and one of us messed up on a step and took the whole line down! I remember having slumber parties, barbie dolls, and playing on your balance beam downstairs! How about the New Kids on the Block t-shirt and cowboy boots?! Can't wait to see that again someday! Then we lost track, and I moved but you're dad gave my dad your # and its like we never lost touch. I am so thankful and I feel so blessed that I got to have you in my life. You'll always be a part of me and be a part of everything I do. Lately it seems like I can't do anything without knowing what you think. I hope you'll talk back to me sometimes. Noah sure is getting big! He's lucky to have such an extraordinary family and truly blessed to have a mother as great as you! You never shined the way you did with him in your arms. You told me you were OK so I'm not worried about you. You and I had some serious conversations and I know you're finally settled. You are missed and loved very much. I hope you know what a legacy you left! I love you- ME.##imported-begin##Kimberly Poste##imported-end##

“ KAREN, YOU ARE A TRULY WONDERFUL PERSON! YOU ARE OUR 'CARE BEAR'. WORDS CAN'T DESCRIBE THE PAIN AND EMOTIONS THAT EVERYONE IS FEELING AT A TIME LIKE THIS. YOU ARE WHAT EVERYONE SEEKS FOR IN LIFE, BUT SOMETIMES NEVER GET. YOU WILL BE TRULY MISSED, AND WE CAN ONLY LOOK BACK AT THE MEMORIES THAT EACH OF US HAS WITH YOU. ONE OF THE MEMORIES THAT ALWAYS MAKES ME LAUGH IS BACK IN MIDDLE SCHOOL WHEN YOU, ME, ASHLEY DOBIS, AND YOUR BROTHER, BRAD WERE ALL ON YOUR GOLF CART RIDING BACK FROM WALMART. YOU LET ME DRIVE, AND WE WERE ALMOST BACK TO YOUR HOUSE WHEN I LOOKED BEHIND US AND STARTED TO HEAD OFF THE ROAD INTO SOMEONES YARD AND HIT THEIR MAIL BOX! EVERYONE JUMPED OFF AND RAN IN DIFFERENT DIRECTIONS. THEN YOU AND I WERE HEADING TO THE NEIGBORS HOUSE TO APOLOGIZE FOR THE MAILBOX AND I TOLD YOU THAT I WOULD UNDERSTAND IF YOU DIDN'T WANT TO BE MY FRIEND ANYMORE. WE APOLOGIZED AND PAID FOR A NEW MAILBOX AND YOU NEVER GOT MAD AT ME ONE BIT. THIS STORY ALWAYS MAKES ME LAUGH! WE WILL MISS YOUR BRIGHT SMILE AND LAUGHS, BUT WE KNOW YOU ARE LOOKING DOWN ON US NOW IN A BETTER PLACE. FROM HITTING MAILBOXES TO BRAVETTES TO THE PALACE SHOWS, YOU'VE ALWAYS PUT A SMILE ON MY FACE! I LOVE YOU AND THANK YOU FOR ALL THE MEMORIES I'VE SHARED WITH YOU!###imported-begin###ASHLEIGH KIRBY###imported-end##

“ Karen, I will always think of you and smile. My childhood memories are filled with your laugh, and energetic nature. No matter how many years or months that went by that we didn't see each other, you would always greet me with your smile, and say "Hay Hay" and I would say "Kay Kay" and give each other a big hug. I'll never forget the time we were playing on Mandy and Kristy's trampoline. We were sucking on ice cubes and something funny happened and we laughed so hard that we both started to drool. You always knew how to forget about everything and just laugh. I always loved you like you were my cousin. You and Kristy will always be sisters in my eyes. I look forward to the day when we can meet up again and have another slumber party. I love you.###imported-begin###Heather Capps###imported-end###

“ CORRECTED COPY Kent, Mike, Brad, & Jackie, Rae and I are hurting so for you all. I don't know of anything that has so touched me and brought me to my knees as has Karen's illness and passing. I still picture her electric smile and how happy she was at the Crowley reunion last year. I have a scan of a photo of her taken at the reunion on my computer screen. We love you and are praying for you all. Karen has touched us all, there are so many of our friends at All Saints Church and around the country that even though they may have never met hwe, feel that they have lost a special friend. May our Lord Jesus hold you in the palm of His hand.###imported-begin###Archie Biggs###imported-end###

“ Karen's uplifting smile and encouraging attitude will be missed but her beautiful spirit lives on! For such a wonderful woman of strength to be lost is heartwrenching; to add it to the loss still being suffered in Logan, and the whole sphere of influence is shaken! Now is the time for all who know Karen to band together and do for others what Karen did for you...uplift, smile, bring joy to the lives of all whose paths we cross. Be a blessing, a giver not a taker, a character who never speaks bad of anyone. Karen, be the guardian angel of all who love you, and may your soul rest in peace with The Father. God bless you Kent and Noah, and may He bring you the strength needed to show the world the same light that was shown by Karen. She is truly a special woman.##imported-begin##Ryan Dodd##imported-end##
